B	I	N	G	O
Create a map of the places you traveled today. No worries, if it's just inside your house! Have fun drawing out your route and add lots of color.	Draw the items around you but place them in an odd imaginary setting. For example, draw your breakfast plate, but place it on a raft in the middle of an ocean! See what else you can come up with!	Have a to-do list or grocery list on hand? If it's okay to do so, add small pictures of the chores or grocery items to your list. Bonus points for adding extra decoration on the page!	Is there a word that has special meaning for you? Or maybe you just like how it sounds? Write it down and make art around it. Experiment with fonts, the size of the letters, and draw some doodles around the word.	Create leaf rubbings!
Paint the lyrics of your favorite song!	Draw a tree you see outside, but instead of a tree full of leaves, come up with some other objects to use as the leaves.	Gather your family and play a game of pictionary!	Doodle some silly faces!	Gather some magazines. Cut and paste pictures you love. Make a collage!
Create your own coloring page.	Look up how to create a raised salt painting. Try the technique for yourself.	Find objects to trace. Add color!	Create a mask to wear.	Design a t-shirt.
Get outside! Use chalk and make sidewalk art!	What are you thankful for? Create an artwork about it.	Make an artwork about the night sky.	Draw something that makes you laugh.	Create an artwork about Spring.

Draw a picture with your left hand. Now draw the same picture with your right. Which do you like better?	Arrange objects in nature to make art on the ground.	Look at your hands. Practice drawing them. Don't forget fingernails and wrinkles!	Make an artwork about what you think you'll look like when you're 100 years old!	Draw something with your eyes closed. Ask a family member to guess what your picture is. Have them try this too!
