

Log in Information

Hi Families:

This year we have switch our curriculum partner with NWEA to Exact Path. We have also purchased a math fact program to help students learn their math facts. Students can access these programs by logging into Clever. At school, they have badges they can use, however at home this feature may not work for everyone. Here are the directions on how to access Clever which will get the students onto Exact Path and the math fact program at home if you wish to access it. It will also allow you to see the online features of our new math program, Big Ideas.

1. Log onto Clever: <https://clever.com/in/moco1>
2. Student access information:
 1. Student Log in:
Username: student first name.student last name@mcr1.us
Password: Birthdate month, day, year

Example:
Username: john.smith@mcr1.us
Password: 06312011
 2. Once you are in clever then students can access the apps for our programs.

Thank you for all our support with your child's education!
