PEOPLE LOVE THE LITTLE VALLEY ZOO!

The Little Valley zoo has been loved for a long time. Last week, the zoo got eleven new animals including a leopard, a whale, a llama, a lion, an elephant, a bull, and a lamb. The zoo will be looking for a larger space for all of the animals, especially the

elephant. Elephants love large cages because they are tall animals! It will cost \$11 dollars to visit the animals. Lunch is available. Feel free to leave a leaf for the elephants! Elephants love leaves! If you would love to volunteer with the animals, use your telephone to call. Or, if you don't have a telephone, write a letter and mail it. Come say hello!

VALLEY SCHOOL NEWS

Valley School would like to announce a school love letter drive. The love letter drive will collect love letters and send them to soldiers. If you'd like to participate, write a love letter with your family and send it in the mail to Valley School.

Sleepy Hollow Weekly

FLOAT PLANE RIDES

The Blossom Club will be providing free float plane rides around Florida. Each flight will be \$5. Proceeds will go towards the Blossom Club Globe Fund.

To ride, please wear close toed shoes and shirts with sleeves.

NEW SLEEP RESEARCH

New sleep research explains how to get good sleep. You'll be glad you read this!

First, make sure your alarm clock does not glow and that the room is completely black. Unplug it if you have to. Second, slow down 2 hours before sleeping. Make sure your mind is blank. Third, decide if you want to sleep on a slant or sleep on a flat floor. Last, don't slip up!

Make sure you follow these rules every day to get good sleep in the same place every night.

BLOWING GLASS CLASS

Flat Glass is a new glass blowing studio that opened last month. It is 3 blocks from the Sleepy Hollow Community Center.

Next week, Flat Glass will be holding a free glass blowing class.

To blow glass, follow these directions:

- 1) Slowly heat the glass in the oven.
- 2) Slide the glass to make it flat on the sides.
- 3) Choose blue, black, or glittered glass if desired.
- 4) Blow into the colored glass making it a globe shape.
- 5) Close the top of the globe with glass glue.
- 6) Let it dry on the floor.
