

K-2nd Music

B	I	N	G	O
Sing a song with your family	make a drum set using pots and pans or boxes of different sizes	practice your singing voice by saying "Yoohoo" to your family or pets	Dance to your favorite song or 2	sing to your pets, stuffed animals or little siblings
Do the warm-up stretches we do in class	Make a puppet (use a sock or paper bag!) and sing with your puppet	Draw a picture of an instrument you would like to play	Make up a song of your own	Dance slow and smooth Think of a swan or fish aquarium
Make a shaker instrument to play while singing. (ex. pop bottles with rice or beads in them)	Dance to a song that is jumpy or bouncy like a kangaroo!	Sing a song that is soft and high like a lullaby	Clap the words to our favorite rhymes: Bee bumblebee Queen Queen Engine, engine	Pat the beat to a song on your lap or step the beat on your feet
Tap the beat of a song on a homemade drum	Sing a song that is loud and silly (loud is never louder than lovely!)	Myo Find something you can scrape to make a sound (ex:spiral notebook or something bumpy)	find a ribbon or scarf to dance with	Sing our favorite songs with motions: Bobby Shaftoe climbed up the apple tree
Learn a new song	Make up your own motions to our songs: Bobby Shaftoe & I climbed up the apple tree	Sing Rain, Rain go away and make up your own verses	Find something you can pluck like a string instrument (ex: rubber band or string)	Dance like an elephant! Big and stompy
